Freedom Field

A 30-acre educational park and museum dedicated to the freedoms and liberties represented by the Flag of the United States of America.

Our founders created an America that became the most successful and prosperous nation on earth by building it on a strong foundation.

This foundation was Faith, Family and Flag. Faith in God, their Creator, who gave them certain unalienable rights, including, but not limited to, life, liberty, and the pursuit of happiness. Traditional families made up of a man, a woman and children that took care of each other in time of need. The forging of a government whose only purposes were to establish justice, ensure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to all — ***nothing more and nothing less.*** That is how the founders of America intended it to be. And for good reason — it worked. This is the America we seek to honor.

WHY FREEDOM FIELD?

Freedom Field will stand as a shrine to the American values of Faith, Family and Flag. It will teach our children and grandchildren the traditional meanings of patriotism, dignity, honor and respect, and be a constant reminder of the very foundations upon which our great nation was formed, and keep the spirit of our birthright alive for future generations.

FREEDOM FIELD HIGHLIGHTS

REPUBLIC HALL: A colonial-style building containing a wide array of flags, presidential and historical documents, memorabilia, history and evolution of the American Flag.

STATUE OF LIBERTY: Symbolizing freedom, liberty and justice for all, this 85' high replica sits on an island in the center of Liberty Pond.

LIBERTY FOUNTAIN: Crowned with the American Eagle, ever-flowing waters symbolize that Liberty is not to be taken for granted and preservation of basic freedoms is a continual struggle...that dreams and wishes do come true...that the human spirit seeking justice, equality, and dignity *does* prevail.

FREEDOM WALK: An eight-foot-wide sidewalk winding throughout the park, paved with bricks imprinted with the name of each person, family, company, organization, or community making a specific contribution.

Our purpose is to cultivate in the largest possible number of our citizens an appreciation of both the responsibilities and the benefits which come to them because they are Americans ... and are free.

PATRIOT FIELD: Parade ground bounded by a walk and flanked with flags representing many of the previous flags that have flown over the USA prior to “Old Glory”.

FIELD OF HONOR: A tribute to American veterans and heroes, more than 100 granite memorial markers bearing the names of major battles fought by Americans for the cause of Freedom.

FLAGS OF FREEDOM MONUMENT: More than 300' across, this centerpiece of Freedom Field will feature a 30' x 50' United States Flag flying more than 120' above the ground, anchored in a 15' high, granite-faced pentagon base. This base will be encircled by three rings of Freedom Walk displaying all state flags and historical documents.
